*Thank you from the
Heart and Stroke Foundation of
Alberta, NWT & Nunavut*

Heart disease and stroke account for one in three deaths in Canada. These diseases do not discriminate between men and women, young and old. Most of us will feel their effect at some time – personally or through a family member, friend or colleague.

*The community leaders, sponsors and volunteers who have organized the **RUNNING the RIVER with HEART & HARBERCRAFT** event are helping the Heart and Stroke Foundation to make a difference. By participating in this event, you will show your support for the Foundation and what we do to saves lives today, and for generations to come.*
