

The World of

JET BOAT RIVER RACING

Racers & Their History

By Frank and Marlene Mignerey

Attention: All Jet Boat River Racers!

All past and present jet boat river racers from Canada, USA, New Zealand, and Mexico are to be included in a new full-color, soft cover book entitled, "The World of Jet Boat River Racing," the racers and their history.

We are currently collecting information from past race programs that will be used in this book. Anyone who wishes to update their bios, and pick one navigator to be listed, please write or call Marlene and Frank Mignerey at 208-628-3743, or email Angie at Gradient Shift.

Any individual or family who would like to be a sponsor and receive five (5) complimentary books, plus an entire history page can contribute \$300 to the production of the book. Please contact the number listed above as soon as possible. If you have an interesting historical image that you feel could benefit this project, feel free to send it to us for consideration.

We plan to have the race book available for the 33rd Annual Salmon River Jet Boat Race, April 14-16, 2017. The books will be available to purchase at all of the official jet boat races. Part of the proceeds will be donated to each race event. We are excited about this project and we look forward to your participation.

Sincerely,

Frank & Marlene Mignerey – 208-628-3743
